XIX International Symposium on Respiratory Viral Infections

June 22-25, 2017 Berlin, Germany

**Preliminary Program/ Invited Speakers**

*As of March 3, 2017*

**Chairs:**

Abdullah Brooks  
The Bloomberg School for Public Health, Department of International Health, Johns Hopkins University, Baltimore, Maryland, United States

Arnold Monto  
Thomas Francis Jr Professor of Epidemiology, University of Michigan, Ann Arbor, Michigan, United States

Albert Osterhaus  
Artemis One Health, Utrecht, The Netherlands; and University Veterinary Medicine Hannover, Germany

**Scientific Advisory Board:**

Menno de Jong  
Academic Medical Center, University of Amsterdam, Amsterdam, The Netherlands

Daniel Feikin  
International Health, John Hopkins, Bloomberg School of Public Health Baltimore, MD, United States

Bradford Gessner  
Scientific Director, Agence de Medecine Preventive, Paris, France

Kathy Neuzil  
University of Maryland School of Medicine, Baltimore, Maryland, United States
Thursday, June 22, 2017

15:00 – 18:00 Afternoon Registration

Friday, June 23, 2017 – Day One

7:00 Registration Opens

9:00 Welcome and Introduction to Keynote

9:10 – 9:50 Keynote Address: Novel Intervention Strategies for Respiratory Viruses – Aldolfo Garcia-Sastre, Director, Global Health and Emerging Pathogens Institute Icahn School of Medicine at Mount Sinai, New York, NY, United States (confirmed)

Session I Intervention Strategies for RSV - Chair: Daniel Feikin, Associated Professor, International Health, John Hopkins, Bloomberg School of Public Health, Baltimore, MD, United States (confirmed)

9:50 – 10:15 Overview of RSV: Intervention, Vaccination and Therapy - Daniel Feikin, Associated Professor, International Health, John Hopkins, Bloomberg School of Public Health, Baltimore, MD, United States (confirmed)

10:15 – 10:40 Role of Antibodies in Prevention and Treatment of RSV – Tonya Villafana, Senior Director, MedImmune, Gaithersburg, MD, United States (confirmed)

10:40 – 11:05 Maternal Vaccination - Janet Englund, University of Washington, Seattle, Washington, United States (confirmed)

11:05 – 11:30 Coffee Break

11:30 – 11:55 Management of RSV of Adults – Ann R. Falsey, M.D., University of Rochester, School of Medicine, NY, United States (confirmed)

11:55 – 12:15 Oral Presentation (TBD)

12:15 – 12:35 Oral Presentation (TBD)

12:35 – 13:55 Oral Presentation (TBD)

13:55 -14:30 Lunch
Session II  Development and Introduction of New Vaccines - Chair: Arnold Monto, Thomas Francis Jr Professor of Epidemiology, University of Michigan, Ann Arbor, Michigan, United States (confirmed)

14:55 – 15:25  Quadrivalent Influenza Vaccines - Arnold Monto, Thomas Francis Jr Professor of Epidemiology, University of Michigan, Ann Arbor, Michigan, United States (confirmed)

15:25 – 15:50  Should Influenza Vaccine Contain Neuraminidase – Manon Cox, President and CEO, Protein Sciences Corporation (confirmed)

15:50 – 16:15  Recent Experience of LAIV in School Children in the UK - Richard Pebody, Department of Respiratory Diseases, Health Protection Agency, London, United Kingdom (Confirmed)

16:15 – 16:40  Coffee Break

16:40 – 17:00  Oral Presentation (TBD)

17:00 – 17:20  Oral Presentation (TBD)

18:00 – 19:30  Welcome Reception

Saturday, June 24, 2017 – Day Two

Session III  Vaccination Programs for Prevention of Respiratory Infections - Chair: Kathy Neuzil, University of Maryland School of Medicine, Baltimore, Maryland, United States (confirmed)

9:00 – 9:25  Global Disease Burden of Influenza and RSV - Kathy Neuzil, University of Maryland School of Medicine, Baltimore, Maryland, United States (confirmed)

9:25 – 9:50  Challenges in Vaccine Virus Selection and Vaccine Coverage - Daniel Jernigan, Director, Influenza Division in the National Center for Immunization and Respiratory Diseases, U.S. Center for Disease Control, Atlanta, GA, United States (confirmed)

9:50 – 10:10  Oral Presentations (TBD)

10:10 – 10:30  Oral Presentation (TBD)

10:30 – 10:50  Oral Presentation (TBD)
